Obedience Trial Championship

Obedience Trial Championship points will be recorded for those dogs that have earned a first, second, third or fourth place ribbon competing in the Open B or Utility B class, according to the schedule of points established by the AKC Board of Directors. When counting the number of eligible dogs in competition, a dog that is disqualified or excused from the ring by the judge will not be included.

One (1) Championship point will be recorded for those dogs that earn a qualifying score of 197 or better in the Open B or Utility B class, if they did not earn points based on the Point Schedule.

Requirements for the Obedience Trial Champion are as follows. The dog must have won:
 1. 100 points; 2. A first place in Utility B with at least three dogs in competition; 3. A first place in Open B with at least five dogs in competition; 4. An additional first place under the conditions of 2 or 3 above; 5. All three first places under three different judges. Only one of the required first places may have been won at a specialty Show or a Junior Obedience Showcase.

The letters OTCH will be followed by a numeric designation indicating the number of times a dog has met the requirements of the OTCH title as defined in these regulations (OTCH2, OTCH3, OTCH4, etc).
