The entry and showing of dogs whose championships are unconfirmed is limited to a period of 90 days from the day of the show where a dog completed the requirements for a championship according to the owners' records.

## Special Conformation Awards

<b>Owner-Handled</b>	Exhibitors must declare their dog is eligible for AKC National Owner-Handled Series (NOHS) at the time of entry
<b>Best of Breed</b>	using the <b>CHECK BOX</b> on the entry form. See information on Page 5.
<b>Awards of Merit</b>	The judge may select, at his/her discretion up to 10% of the superior quality specimens from the intersex competition. ## Non-Regular Classes Involving Multiple Dog Entries

**Stud Dog Class** - For Stud dogs and two of their Get. It is not necessary that the Get be under the same ownership as that of the Stud Dog. The Stud Dog may be entered in one of the Regular or Non-Regular Classes or, if a Champion of Record, the Best of Breed competition, but must be entered in the Stud Dog class. The Stud dog may be entered in the Stud Dog Class only at the regular entry fee. The Get must be entered in one of the Regular Classes or, if a Champion of Record, in the Best of Breed competition. The Stud Dog shall be considered one entry and requires one entry fee. The Stud Dog must be shown in the ring with the Get. The class will be judged based on the merits of the Get. While the merits of the Stud Dog are not to be considered in the placement of the entry, the Stud Dog must be examined to determine if it has a condition that would require its disqualification or excusal under the dog show rules, AKC policy, or the standard of the breed. The Stud Dog need not be intact.

**Brood Bitch Class** - same as for Stud Dog except substitute Brood Bitch for Stud Dog and Produce for Get.

**Brace Class** - A Brace is defined as two dogs of the same recognized breed or variety that are similar in appearance, performing in unison, and presented by a maximum of two handlers. Both dogs competing in brace competition must have at least one common owner and be entered in another conformation class. The dogs comprising a Brace must be named at the time the entry is made, indicate Brace in the space provided for "Additional Class." Please submit brace entries together.

As the judge's decision in the Stud Dog, Brood Bitch, and Brace classes will be based on the merits of more than one dog or bitch, no one of the dogs or bitches making up the entry judged first in the class will be eligible to compete for Best of Breed by virtue of having won either of these classes.

# AKC National Owner-Handled Series

☐ Remember to check the box near the bottom of the entry form.

The AKC National Owner-Handled Series is a non-titling competition for dogs that are exhibited by their owners that are not professional handlers.

Exhibitors must declare their dog is Owner-Handled eligible at the time of entry on the entry form.

Dogs entered in the Amateur-Owner-Handler class will automatically be marked as eligible to compete in the NOHS.

Eligible dogs will be identified by an asterisk in the judge's book, steward's book & the catalog. Dogs must be handled throughout the breed level competition for the regular show by an eligible owner.

Professional handlers\*, household members and current assistants\*\* to professional handlers may not exhibit the dog in any NOHS competition during the entire show.

For a detailed description of the National Owner-Handled Series, please visit the AKC website NOHS pages at:  
<https://www.akc.org/sports/conformation/national-owner-handled-series/>

\* Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay within the last five years.

\*\* A current assistant is defined as anyone employed by a professional handler on a full-time basis or assisting a professional handler at the show or any time during the cluster/weekend.
